Case No. 2:22-cr-00014-WBS

STIPULATION TO MODIFY CONDITIONS
OF PRETRIAL RELEASE; ORDER

JUDGE: Hon. Deborah Barnes

17 IT IS HEREBY STIPULATED by and between the parties hereto through their
18 respective counsel, that Mr. Cornett's conditions of pretrial release may be modified to remove
19 the condition of home confinement and replace it with location monitoring: curfew.

20 Mr. Cornett has been under Pretrial Services supervision since November 22, 2022. He
21 is currently subject to a combination of release conditions, including that he participates in an
22 electronic location monitoring program with home confinement. According to his supervising
23 officer, Mr. Cornett has been in compliance with all of his release conditions since his release in
24 November 2022; he has never tested positive for any drugs, reports as instructed, and there have
25 been no location monitoring violations. Mr. Cornett continues to reside with his third-party
26 custodian, who also reports that he is doing well.

27 Given Mr. Cornett's compliance with his conditions of release, Pretrial Services is
28 requesting the removal of the home confinement condition and requesting to use the condition of

1 a curfew. The defense joins in this request, and given Mr. Cornett's performance to date, the
2 government has no objection to the removal of this condition. The parties and pretrial services
3 officer agree that all other conditions of pretrial release are appropriate and should remain in full
4 force and effect.
